ADROITIN INDUSTRIAL PRODUCTS

Adroitin Industrial Products Your Partner in Fluid Conveyance Solutions

At Adroitin Industrial Products, we go beyond supplying hoses—we deliver complete, end-to-end solutions for fluid conveyance across diverse industries. Backed by strong technical expertise, training, and product support, we empower businesses to achieve reliability, efficiency, and cost savings in every operation.

- Drive import substitution
- Champion the “Make in India” initiative
- Deliver world-class quality with local expertise

Product Portfolio

Hydraulic Hoses

- **Types:** 1SN/R1, 2SN/R2, 4SP, 4SH, R12, R13, R15 (ISO 18752 compliant)
- Ultra-High Pressure Hose up to WP 4000 Bar
- **Options:** Bare hoses and complete assemblies

Industrial Hoses

Small Bore – Long Length

- Multipurpose Hose
- Fuel Line (SAE J30 R6 & R7), Oil Hose
- Sand/Shot Blast Hose
- Pneumatic & Rock Drill (Mining) Hose
- Water Hose
- Chemical Hose
- Carbon-Free Hose

Large Bore – Fixed Length

- Dry Abrasion: Fly Ash, Lime Powder, Dry Cement, Gypsum, Glass Chips
- Wet Slurry: Mud, Gravel
- Ultra-Flexible Dust Collection Hose
- Mine Dewatering Hose
- Oil Suction & Discharge Hose
- Furnace & Cable Coolant Hose with Thermal Insulation Covers
- Chemical Hose
- Concrete Placement
- Peristaltic Hose

End Connections: Every hose can be supplied with **customized end fittings** or open ends, ensuring seamless integration into your operations.

ADROITIN INDUSTRIAL PRODUCTS

Hose Protectors

- Spiral PE Protectors
- Protective Sleeves

Fittings & Adaptors

We deliver a comprehensive range of adaptors, flanges, and hose end-fittings engineered for performance across low to ultra-high-pressure applications.

- Compatible with single/double wire braided and multi-spiral hoses
- Designed for high-temperature environments
- Compliant with international standards: SAE, DIN, JIC, JIS, BSP, and more

Our Commitment:

- Uncompromising quality in every product
- On-time delivery to keep operations running smoothly
- Efficient, customer-focused service that builds lasting trust

With Adroitin, you don't just get components—you gain a **reliable partner in hydraulic performance and innovation**.

Hose Crimping Machines & Accessories

- Fully Automatic, numerically controlled crimping machines
- Semi-Automatic crimping machines
- Manual crimping machines
- Hose cutting machines
- Hose assembly pressure testing equipment
- Hose skiving equipment
